

# DSCI6006 - Example of Visualization

 [dsci6007.com.s3-website-us-west-1.amazonaws.com/visualization\\_example\\_dsci6006\\_cpm.html](https://dsci6007.com.s3-website-us-west-1.amazonaws.com/visualization_example_dsci6006_cpm.html)

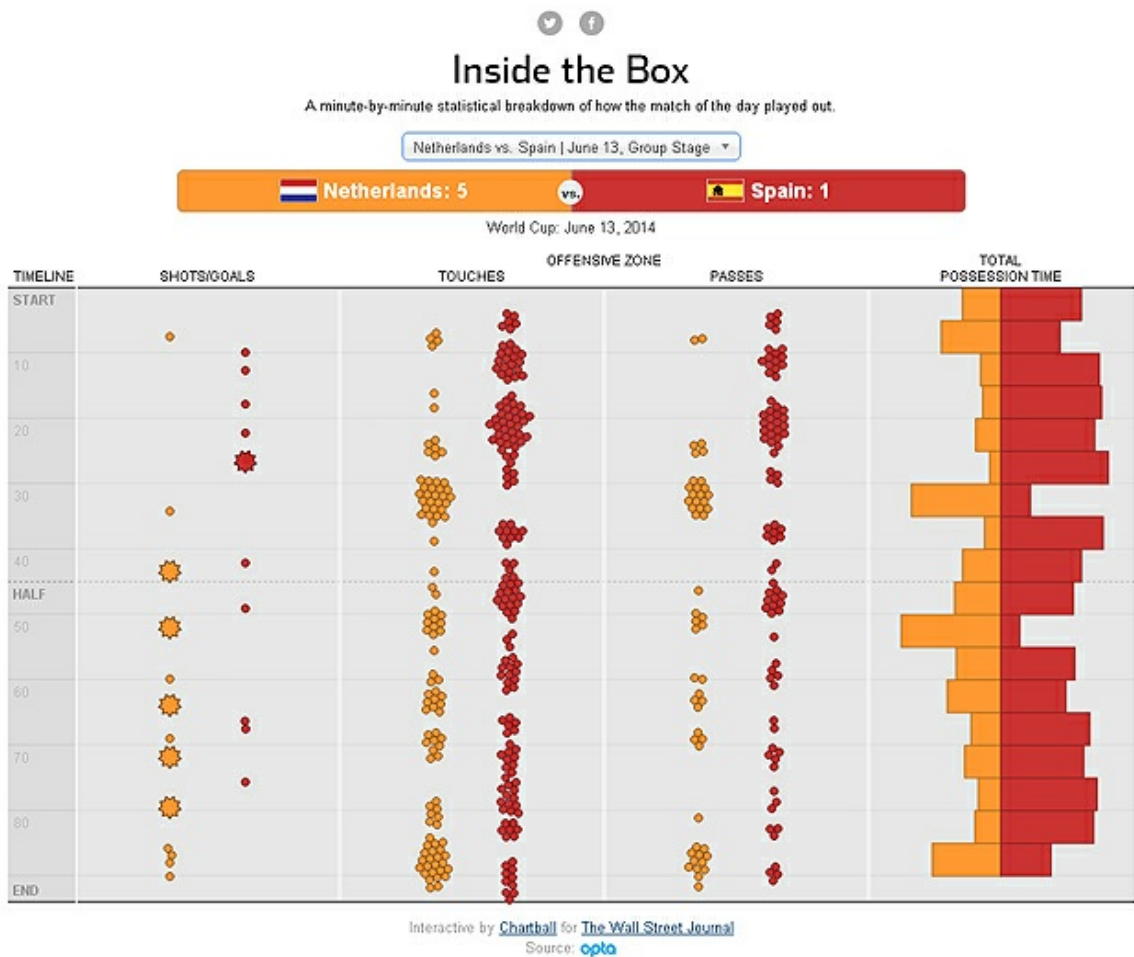

Image source: <http://blog.rtve.es/.a/6a014e6089cbd5970c01a73dda5e57970d-pi>

PROS	CONS
Use of color for nominal data (country).	Not intuitive.
Innovative graphic to display sports data.	Color palette.
Use of white vertical lines to separate "themes".	Does it tell what happened?
	Use of marks (shots, touches...).

The interactive visualization example [is hosted in the WSJ](#).
